Call for Doctoral and Postdoctoral fellowships at Ecole Polytechnique, ENSAE, HEC

Paris, 16th February 2018

The Labex ECODEC is a research consortium in Economics and Decision Sciences common to three leading French higher education institutions based in the larger Paris area: Ecole Polytechnique, ENSAE and HEC Paris. The Labex Ecodec offers:

- **Doctoral fellowships** for 2018-2021, for three years or until the end of the third year of the PhD;
- **One-year fellowships** to complete a PhD thesis for 2018-2019;
- **One-year postdoctoral fellowships** for 2018-2020.

Candidates are invited to contact as soon as possible members of the research area (see below) with whom they intend to work.

Research areas concerned by the call:

**Area 1:** Secure Careers in a Global Economy

**Area 2:** Financial Market Failures and Regulation

**Area 3:** Product Market Regulation and Consumer Decision-Making

**Area 4:** Evaluating the Impact of Public Policies and Firms’ Decisions

**Area 5:** New Challenges for New Data

Details of each area can be found on [http://labex-ecodec.ensae.fr/about-ecodec/the-5-areas](http://labex-ecodec.ensae.fr/about-ecodec/the-5-areas)

**Deadlines for application:**

- Submission deadline: **19th March 2018 (10 am)**
- Reviewing deadline: **26th March 2018 (10 am)**
- Steering committee: **29th March 2018 (10 am)**
- Grants notification: **30th March 2018.**

The application should be sent through [http://labex-ecodec.ensae.fr/submissions](http://labex-ecodec.ensae.fr/submissions)

Please mention the area number on which you apply in the subject.
The application package includes:

1. A cover letter with the name of a potential supervisor among the group;
2. A research statement specifying object and methodology (not more than 2 pages);
3. A letter from the potential supervisor in support of the project;
4. A Curriculum vita (with the address of the candidate, phone and e-mail contact).

In addition, for postdoctoral fellowships:

5. The Ph.D. dissertation or papers/preprint;
6. Reference letters, including one from the PhD advisor. A letter from a member of the research area with whom the candidate is willing to interact will be appreciated.

Selection will be based on excellence and a research project matching the area’s research agenda.
